

Sports Premium Summary of Impact 2016-17

Total allocation: £8925

Sandiway Primary School is committed to ensuring that the use of the Sports Premium will create additional and sustainable improvements to the provision of PE and sport to the benefit of all pupils to encourage the development of healthy, active lifestyles.

Provision	Cost	Summary of Impact
Membership of the Vale Royal School Sport Partnership. These costs cover cluster coordination, quality mark application support, co-delivery by our link High School PE teacher plus a range of opportunities for competitive sports, including opportunities for more-able athletes	£3300	<p>We entered more than the required number of competitive events for the Gold Sports award. This also gave the children the opportunity to compete and achieve success.</p> <p>We have retained the Gold Sports Mark.</p> <p>56% of children are engaged in a sport-related extracurricular activity each week.</p> <p>20% of previously non-active pupils are now engaged in a sport-related extracurricular activity each week.</p>
Andy Ault, our specialist sports coach to work with teams – extra training and competition preparation.		<p>Continued success was achieved in inter-school competition by an increased number of school teams competing and the raised confidence shown by the children competing.</p> <p>The following is the list of approved competitions that the school has engaged with this year:</p> <p>Athletics (M) Cricket (M) Football (M) Hockey (M) Netball (M) Rounders (M) Rugby League (M) Tennis (M) Cross-country (M) Sports Hall Athletics (M) Dodgeball (M) Athletics (F) Cricket (F) Football (F) Hockey (F) Netball (F) Rounders (F) Rugby League (F) Tennis (F) Cross-country (F) Sports Hall Athletics (F) Dodgeball (F)</p>
Andy Ault, our specialist sports coach to work at lunchtimes with groups of pupils over the year.	£1356	<p>Mr Ault has worked with the sports leaders at lunchtime. They have been involved in planning and running games and supporting the other children. The plan is to continue this next year with the new Year 5 class taking more of a lead, getting the year 4s involved towards the Summer term.</p> <p>As a result of the additional coaching and support, 32% of children are now in a position where they lead, manage or officiate a sports activity.</p>
Subsidising the swimming costs for Years 3 and 4 and any Year 5s still needing that opportunity to achieve the statutory requirement of the curriculum.	£500	Children in Years 3, 4 and 5 met, or are on the way to meeting the national curriculum standard of being able to swim 25m.

Funding new equipment, including cricket, athletics, tennis equipment as a result of specialist coaching.	£660	High quality PE lessons delivered with high quality equipment.
Funding coaching across a range of sports (tennis, cricket, Chinese dance workshop and football) for a range of classes.	£1815	The impact of this is quality coaches teaching quality lessons to the children, plus teaching staff having the opportunity to work alongside quality coaches, improving their confidence and quality of their own teaching.
The costs of travel to and from the range of sporting events we attended.	£1300	This has allowed the children to compete and achieve success in a huge variety of activities including girls' and boys' football, tag rugby, indoor athletics, quad kids, hockey, netball, dodgeball, cross country, tennis, cricket and multi-skills, plus allowing us to attend enough events to achieve the Gold Sport Mark.
Total expected spending	£8931
