News Story of the Week

In the news this week

Many families travelled to Glasgow for an event that claimed to channel the magic of Charlie and the Chocolate Factory. On its website, Willy's Chocolate Experience, guaranteed chocolate fountains, performances by Oompa Loompas, and interactive experiences, with tickets priced at £35 per person. Visitors were greeted by rows of large empty tables and walls of black fabric separating different, almost empty, spaces. Upon facing crowds of disappointed ticketholders, organisers decided to cancel the two-day event after the first morning.

Things to talk about at home ...

- How do you think visitors to the experience might have felt when they realised the experience differed from what they expected?
- Can you think of a time when something didn't go well, even though you tried or thought it would? How did you deal with it?

Well Done!

A huge well done to our Headteacher Award winners last Friday who enjoyed a hot chocolate with Mrs Bertram.

Our winners were Seth (Reception), Harvey (Year 1), Will and Hunter (Year 2), Autumn (Year 3), Ruby and Joshua (Year 4), William (Year 5) Ryan (Year 6).

All our winners showed our core value of Respect over the week.

Netball Success!

On Thursday 14th March, an enthusiastic team of Netballers, represented our school in the Create Trust Netball Tournament.

From the offset, the team worked cohesively to get the ball from one side of the court to the other, frequently ending with a score. In fact, this powerful team won each match with amazing scores of 6-1 against Cuddington and 4-0 against Little Leigh.

Great sportsmanship and encouragement displayed throughout.

A huge congratulations to you all!
