## News Story of the Week

## In the news this week

Across the UK and Ireland, the charity, World Book Day, will be holding its annual celebration on Thursday 7<sup>th</sup> March. The day is a chance to celebrate and encourage reading in schools and homes. Children are more likely to enjoy reading when they have greater control over what they read and when there is an emphasis on fun, the charity believes. Many schools choose to recognise the day by encouraging children to dress up as their favourite book characters, bringing in their favourite books and holding other reading activities in school.

### Things to talk about at home ...

- > Does your school recognise World Book Day? What do you do? Do you enjoy the activities?
- > What other ways do you think we can encourage people to read? Do you enjoy reading? Do you think it's important for people to read more?
