Is fashion important?

In the news this week

A new BBC television programme, called *Style It Out*, gives nine young promising fashion designers from all over the UK the chance to compete in designing different outfits. The winner will have their clothes showcased at London Fashion Week. The main focuses of the challenge are creativity and sustainability, with the contestants having to use second-hand materials. As people's awareness of the impact of fast fashion increases, sustainable clothing is becoming more at the forefront of shoppers' minds.

Things to talk about at home ...

- Can you remember the last item of clothing you bought or were given? Where was it from and what was it for?
- What does 'being fashionable' mean to you? Is it important to you? Talk to others at home.
- What do you do with the clothes that you no longer need or that no longer fit?

Under 9 Girls 5-a-side County Finals

What a fantastic performance the Year 4 girls gave on Monday at the County Finals of the Under 9 Girls 5-a-side Competition (for the Rod Whitlow Cup). The final took place at the Alexandra Soccer Centre in Crewe. The girls played 3 games to compete for a place in the semi-final. The girls did a fantastic job of rising to the county final standard and scored lots of goals. They worked well as a team, showed fantastic sportsmanship and showed fantastic determination. Although the girls scored lots of goals, sadly they narrowly missed out on qualifying this time, but I have no doubt that they will soon be returning to the county finals again. A huge well-done girls, you represented the school with pride.

Sandiway Talent!

My brother, Archie, and I are in Sandiway Pantomime Group. Last week, we performed in Hansel and Gretel. We were both in the chorus, singing and dancing and really enjoyed it. The whole experience was really fun and we met new people and made new friends.

Sandiway Library

If you head down to Sandiway Library you will be able to see our new display of children's writing. We are very proud of our children's work and are so pleased to be able to share it more widely within the local community. We enjoy using inspirational texts to inspire our writing so sharing this in the library is a great opportunity. We hope to update the display regularly so great writing, resulting from great effort, can be celebrated in this public forum.
