# Introducing the Starlight's baby room

**We are specially designing a room tailored for those children aged from 3 months to 2 years.**

Our spacious room will be equipped with a dedicated sleeping area to help aid sleep during the day whilst keeping our sleeping baby's safe. We will also have a designated safe changing area. Our room will be equipped with its own kitchenette to help with safe and immediate food and bottle preparation whilst also having access to the setting kitchen for more complex dietary needs.

The flooring in this room has been specially selected for comfort and warmth, providing all children with a comfortable and safe place to play and learn.

We have a range of stimulating resources for playtime to encourage your child's sensory development and interaction with others. Children will enjoy fresh air and the great outdoors in our secure outdoor area and during pushchair walks around our surrounding nature areas.

This room and our resources have been specially designed and selected for growth and development and through free and structured play children will prosper in:

**Social Skills, sharing, and forming relationships**  
**Speech and Language**  
**Colour and shape recognition**  
**Hand-eye coordination**  
**Fine motor skills such as throwing and climbing**  
**Spatial awareness through outdoor play**  
**Independence – eating and drinking, choosing what to play with**

A typical day in our Starlights room will include sensory and stimulating activities to help them learn and grow, such as:

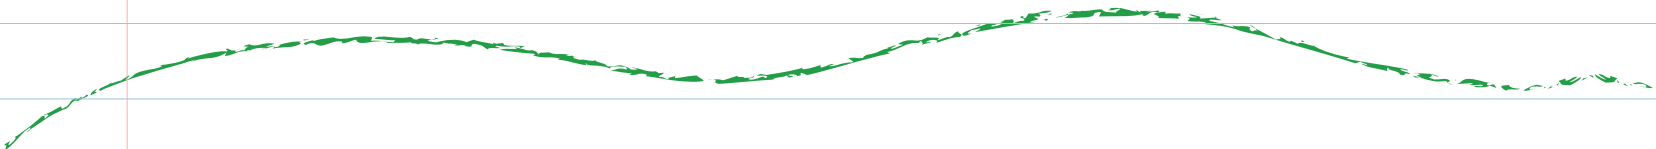

**Music Play**  
**Mood lighting and sensory toys**  
**Messy/Textured Play**  
**Physical Activities including outdoor play in our enclosed garden that has a soft play surface for their comfort**  
**Jigsaws, clay modelling and sorting games**  
**Nature Walks**  
**To name but a few.**

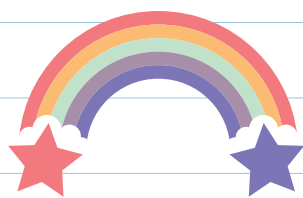

**Mealtimes:**

For children who are bottle fed, we ask that formula and bottles are provided.

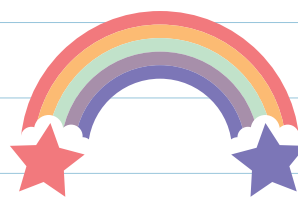

We provide a well-balanced tasty menu of fresh, home-cooked food including, a wholesome breakfast, a morning snack, 2 course lunch consisting of a main and desert and an afternoon snack and finally a teatime meal and desert. Our menus are compiled with consideration for a healthy diet and children's preferences and/or allergies.

Meal and snack times are treated as a social occasion where children are encouraged to eat independently when ready, observe good table manners whilst enjoying their food in the company of their friends and staff. A copy of the menu will be available from inside the setting and visible on the notice board.

## Nappies and ailments:

Smallworld will provide the nappies needed throughout your use of our childcare. However, regarding other ailments such as Sudacrem etc we ask that these are provided and clearly labelled with your child's name.

Our building is set out to promote easy growth and development, with open plan rooms and fluid routines, we will endeavor to help your child move through their stages of development at their own pace and ensure that they have access to the most suitable environment for their age.

In our nurseries we follow the Early Years Foundation Stage Framework which recognises the importance of learning and development at this early stage. All staff in this room are highly qualified childcare educators and are safeguarding and paediatric first aid trained.

Our baby room will operate as a day care nursery, providing childcare all year round (except on Bank Holidays and the Christmas Period).

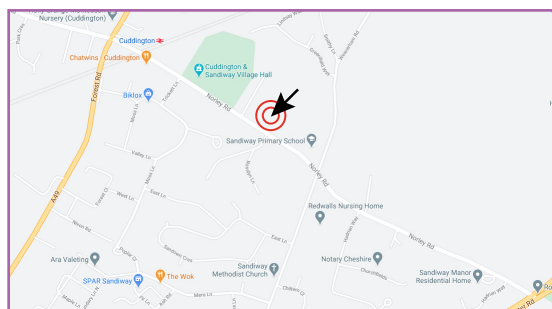

## Opening times and fee's:

<b>Full Day 8am – 6pm</b>	<b>£49.50</b>
<b>Short Day 9am – 3pm</b>	<b>£37.20</b>
<b>AM Session 8am – 12:30pm</b>	<b>£29.75</b>
<b>PM Session 1:00pm – 6pm</b>	<b>£29.75</b>

Nursery fees are calculated by taking the weekly amount, multiplying it by the length of the school year (50 weeks) and dividing it by 12 to give a monthly amount. Fees are due by the end of the first week of the month and are in lieu of the month. You can make payment via your iPal account using a credit/debit card, childcare vouchers or both. Payment can also be made through the Tax Free Childcare Scheme, via standing order, cash or cheque.
