Whole School Art Assembly

As we approach the end of term we thought we would treat the children to a whole school art experience. We came together as a school and drew a stylised self portrait with the help of Rob Biddulph's series of 'Draw with Rob' videos to guide us. What an enthusiastic lot we had! There were so many fantastic pieces produced.

Fox Howl Residential—Year 2

Last week Year Two enjoyed their first residential visit to Fox Howl in Delamere. We started by catching the train to Delamere where we walked up Old Pale. Despite the mist, the children loved it, saying they felt like they were walking in the clouds! We arrived at Fox Howl ready for Lunch and then enjoyed a variety of activities including the exploration of animal habitats including badger setts, splashing in streams, den building, campfire activities to name a few. The children demonstrated great positivity, teamwork, resilience and enthusiasm throughout the visit. Very well done to all our Y2 children, we are so proud of each and every one of them!

Forest School

Forest School will be for Reception children in the first half of the Summer term, supported by Year Six children. Miss Burns will be in touch with Y6 families with more details. A kit list will be sent to remind you of what the children needs, especially as it may still be cold.

Homework

There is no formal homework set over the half term break. However, we strongly encourage all children to maintain their reading and KS2 should also keep practising TTRS (Times Table Rock Stars). Wherever possible, we suggest that you also revise previously taught spellings to ensure they are being retained.
