News of the Week!

In the news this week

Three teenagers from Indore, India – Dhruv Chaudhary, Mithran Ladhania, and Mridul Jain – have created a salt-powered fridge. Their goal is to support hospitals in rural areas around the world that lack access to electricity. Their invention, called the Thermavault, was submitted to The Earth Prize, a global competition which aims to inspire young people to solve world-wide problems.

Things to talk about at home ...

- Share your thoughts on the new fridge invention. Who do you believe will benefit most from it?
- Make a list of everyday items at home. Which make your life easier?
- Can you think of an item you use that could be improved? How?

Inspirational Athlete Assembly

On Thursday morning, the children had the pleasure of meeting another inspirational athlete as part of our membership with Vale Royal School Sports Partnership.

They excitedly welcomed Alisha Evenson, a gymnast, specialising in tumbling. Having secured a Bronze medal individually and a Silver as part of the team at the recent Loulé International Cup, Alisha has been selected to represent Team GB at November's World Championships so this was a great opportunity to track and discuss her career as she secures such incredible opportunities! Alisha told the children that she trains with local club Cheshire Gymnastics and was delighted to recognise so many of our own children who have seen her adjudicate the RISE Gymnastics competitions and performed as part of the festivities!

Alisha talked about her career in sport but also about managing the expectations involved in being an elite athlete, setting goals, dealing with set-backs and being a great role-model for our young people. Alisha delighted the children when she shared some recordings of her own performances. With the completions of each set of tumbles, the children erupted in cheers and applause! We look forward to watching our own inspired gymnast make great progress in the future and wish Alisha and the team every success in the next World Championship.

DJ and Production

The start of the term brought a new and exciting after school club to our classroom. DJ and Production Club is being run by Max Lewis, a professional Musician whose been working with our KS2 Choir for the past couple of years. Max was blown away by the children's ability to mix and adapt different musical styles, changing the tempo and repeating rhythms using digital technology. Following the first session, the children enthusiastically explained just how much they enjoyed themselves. Max explained, the biggest problem was getting them to pack up! With several new members joining next week, he looks forward to working with them on Monday!

Northwich Sings!

Our wonderful Year 5 children, proudly represented our school, in the annual Northwich Schools' Singing Festival, 'Northwich Sings!' The children performed with skill, enthusiasm and enjoyment during the singing celebration of the performance of A-la-la-la-laddin!

It was a delight to see so many personal achievements being made for so many of these children and their efforts were recognised by not only us but by several other staff from accompanying schools. A huge congratulations to you All!

Thanks also to those who were able to make it to the final performance, your wonderful comments of praise for the children and appreciation are greatly received.

Did you know its Walk to School Week Next Week?

We are encouraging people to walk/ bike/ scoot/ run to school next week. Not only will this reduce the number of cars in the car park and on the roads, and reduce the pollution in the air, it will also get you ready to learn and feeling good! We are holding a number of competitions next week:

Who can walk to school the most?

Can you make a green cross code poster? There will be a KS1 winner and a KS2 winner.

Can you answer our quiz?

Lily and William -Junior Safety Officers

To our Wonderful Year 6 Pupils

I just wanted to take a moment to say how incredibly proud I am of each and every one of you.

This week, you've shown true maturity, resilience, and determination during your SATs. You approached each paper with such a positive attitude, supported one another, and gave it your absolute best—and that's all we could ever ask for. SATs are just one small part of your journey, and they don't come close to capturing the kindness, creativity, humour, and character you bring to our school every day.

You are amazing children, and we are so lucky to have you as our Year 6's.

Well done for everything you've achieved this week—you've made your teachers, your families, and your Headteacher very proud.

Enjoy a well-deserved rest this weekend and take pride in everything you've done.

Gala Day

The Gala Day will take place on **Saturday 7th June, 11am—5pm** and will be held in the grounds of Cuddington Park. Following the success of previous years, children from both Cuddington and Sandiway Primary Schools will happily perform together again, this year. We look forward to seeing you there.

Volunteers—We need as many volunteers as possible to set up and work on the BBQ at the gala to raise money for our school. The gala is a great way to make money from the wider community (not just Sandiway parents!) please contact sandiwaypta@gmail.com if you are able to help!

Donations—If anyone has any teddies or bottles for the tombola for the gala that you are able to donate we have left a box in the school entrance if donations could be made by Tuesday 3rd June we would be really grateful.

Hot Chocolate Friday!

Well done to Charlotte Rec), Ava (Y1), Sophie (Y2), Whole Class (Y3), Albie and Jack (Y4), Thor and Esme (Y5), Max (Y6), Oliver and Sebby (Mr A's Club), Sonnie (Office), Alice (Club), who all won headteacher Awards for showing ownership on Friday 9th May 2025.
