## In the news this week

Zoos, aquariums and safari parks in Great Britain will soon have to follow new rules to help them take better care of animals. These rules say that animals must have bigger and better spaces to live in. The changes will help many different animals, including elephants, stingrays, snowy owls and octopuses. Elephants, in particular, will be given much more room to move around and explore.

### Things to talk about at home ...

- > Have you ever visited a zoo? Talk to someone at home about their experience.
- > If you could design the perfect zoo, what would you include to keep the animals happy and healthy?
- > Do you think zoos help people care more about animals and nature? Why?

## Gala Day

A huge thankyou to our wonderful PTA and staff who led on the barbecue at last Saturday's Gala. Despite the weather there was a significant amount of money raised thanks to your generosity and support. We are hoping all monies raised will go towards funding another year of the fabulous Chester Storyhouse project which has had such a positive impact on every child. I would also like to say a huge thankyou to Mrs Tucker and the choir who yet again delivered another fabulous Sandiway performance for our community.
